CUSTOM IMPRINTED VOLLEYBALL NETS

- Full digital color imprinting on heavy duty 3" finished width white vinyl binding can be added to any Carron Volleyball Net (excludes #30920 & #30921).
- Imprint virtually any logo or lettering* including team names, website addresses or event information.
- No additional screen charges or other hidden costs. Imprint charge covers all design and setup making even single net orders affordable.

SPECIFICATIONS:

- Printing can only be done on white vinyl. No colored vinyl imprinting is available due to color saturation. Colored vinyl is available for unprinted edges upon request.
- Any artwork (such as a logo or text needed in a specified font) must be submitted electronically to sales@carronnet.com and meet the following requirements:
 - 300 DPI or more
 - .EPS or .JPEG Format
- Any text that is not submitted as a "camera ready" file (as a .JPEG or .EPS) will be set up using standard text formats (Arial, Arial Black, Times New Roman, Verdana, etc.)
- Imprint can be logo, text or a combination:
 - Number of image/text repeats, order and spacing depends on imprint. Maximum image height is 2.25" and art will be set up proportionately. See Fig A for example.
 - Colors will be based on presented artwork. Color adjustments cannot be made from presented artwork.
 - PDF proof showing imprint size and spacing to be provided to customer after receipt of an order for approval prior to production.

Figure A

**SPECIAL NOTES: Printing CANNOT include any trademarked or copyrighted material without express permission. Artwork must meet minimum quality standards (size & resolution) to be accepted for imprinting. Carron retains the right to reject artwork that does not meet the accepted parameters.*
