RACK GUARD NETTING RFQ

Company Name: _____

Contact Person: _____ **Phone:** _____

Email: _____

Customer/Job Name: _____

Job Location (for shipping estimate): _____

Tell us about your application. Carron stock number (if known). Load rating/capacity/mesh size/color desired and/or what type of objects are being stored in this area. Will the netting extend beyond the top of the existing uprights? Will there be a rack frame present where netting is intended to be attached? Do you need installation hardware? Is there anything unique that needs to be addressed (tunnels, breaks in coverage, interfering structures, etc.)? You may also choose to include a drawing or picture with this completed form.

ROW LAYOUT (use multiple pages if necessary)

Number of like Rows*	Height of coverage	Number of Bays	Are all bays equal? ✠	If yes, Bay Width (center-to-center)	Width of Upright	Is offset required? If so, how much?	Notes
